To: Whom it May Concern
cc: Mayor, City Council
From: Lee C. Belt, City Clerk

RE: 2022 IRRIGATION SEASON – UPDATE

Greetings!

Due to recent rain and cool weather in the forecast, irrigation water will not be delivered this week through the municipal irrigation system.

Please contact City Hall if there are questions, and refer to previous irrigation memos posted on the 'bulletin board' on the city's website (www.greenleaf-idaho.us) for background information.

More information will be posted as a memo on the city's website and on the city's Face Book page as it becomes available.
